

Digital Archiving Technology Group

Project Leader

Ruck Thawonmas

(Professor, Graduate School of Science and Engineering, Ritsumeikan University)

Visualization and Narrative Production from Archival Information

Aim of the Project

- To increase user satisfaction in the virtual world using intelligent techniques such as:
 - Summarizing users' virtual-world experiences in a comic style
 - Online games
 - Second Life
 - Analyzing users' virtual-world activities
 - action analysis
 - movement analysis
